

Delphi Technologies Direct Material Supplier Insurance:

Supplier shall procure and maintain consistent with the provisions of this contract, at its sole expense, the following types of insurance coverage, to remain in force during the term of this contract, with minimum limits as set forth below:

1. Commercial General Liability insurance, on an occurrence basis, including but not limited to, protection for premises/operations liability, blanket contractual liability, independent contractors, personal and advertising injury and products/completed operations liability in an amount of US\$5,000,000/occurrence.
2. Business Automobile Liability covering all owned, hired, and non-owned vehicles - US\$1,000,000 each occurrence combined single limit, including all applicable statutory coverages.
3. Workers' Compensation - statutory limits for all states of operation (U.S. only).
4. Employers Liability – US\$1,000,000 each accident for bodily injury by accident and - US\$1,000,000 each employee for bodily injury by disease.

All policies of insurance procured by Supplier herein shall be written as primary policies; not contributing with or in excess of coverage that Delphi Technologies may carry. If Supplier's liability policies do not contain the standard separation of insureds provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage. Supplier shall agree to waive their insurer's right of subrogation under the required insurance policies. Delphi Technologies shall be an additional insured under Supplier's insurance policies (except Worker's Compensation and Employer's Liability), and at Delphi Technologies' request, Supplier shall provide Delphi Technologies with a certificate of insurance evidencing compliance with the limits, and insurance requirements, including waiver of subrogation and additional insured provisions contained in this paragraph. Such certificate shall be in a form acceptable to, and underwritten by an insurance company reasonably satisfactory to Delphi Technologies and with an A.M. Best Company rating of A- or above. By requiring insurance herein, Delphi Technologies does not represent that coverage and limits will necessarily be adequate to protect Supplier. The purchase of appropriate insurance coverage by Supplier or the furnishing of certificate of insurance shall not release Supplier from its respective obligations or liabilities under this Agreement.
